**Hand/Finger Painting**

*You don't need brushes to be creative!*

**Pointillism**

*Small, painted dots of colour that together form a pattern or picture*

**Splatter Painting**

*Use brushes to flick, throw and drip paint onto the canvas!*

**Watercolour**

*Paints are made in a water-based solution.*
Painting Methods

Pastel Painting
This method dates back 500 years! Broad range of colours and blending ability makes this method attractive.

Acrylic Painting
A modern painting method using plastic. Acrylic is fast drying making it suitable for sculptures and moulding.

Oil Painting
Oil painting was first used by Indian and Chinese artists in the 5th century.
