ART & RECO NATURE PROGRAMME

RECONNECTING YOUTH WITH NATURE THROUGH ART CREATING GLOBAL CITIZENS

Factsheet **templates and educational resources** sent for FREE on local nature, history and culture.

Pots and paints delivered for FREE - participants keep half their pots and sell the rest to raise funds for local community **projects of their choice**.

Competitions: Best Pottery Painting; Best Local Factsheets; Best Story Telling, and more! These will be **highlighted on our website**.

ļ

Autumn Special: Tree seed collection or donation and workshop on how to propagate them. Saplings can be sold at fundraising events for **their chosen charities!**

We will set up '**Global Citizenship Accounts**' in which their funds would collect in order to donate to their chosen community projects transparently!

*Half of the pots must be sold to fundraise, or be donated to local causes of the children's choice - let's inspire some altruism and social entrepreneurship!
