

WHAT DOES A GLOBAL CITIZEN DO?

What a Global Citizen does	What a Global Citizen doesn't do

Print off both pieces of paper and get the students to sort out the different sentences into different groups. Add extras if you can think of them!

Never think about the world

To act better than other people

To stay silent

To help the community and your friends

To only care for yourself

To ignore the environment

Think about what happens in the world

To stand up for people

Voice their opinions

Protect the environment
