Citizenship/
English/ Science
KS1, 2, 3

1

Download the **factsheets** from the website for FREE and print for your class/group.

2

We have factsheets on: Climate Change, Importance of Trees, Plastic Pollution, Extinction, Poverty, Human Rights, Discrimination.

3

Download the **lesson plans** for teaching the global issues to your specific age group. Introduce **balanced arguments** and debate.

4

Students choose an issue that resonates with them and **create something** – poem, story, picture, etc.

5

Competition: Send in your creations and we'll **highlight our favourites** on our website and social media.
