

Are You the Same or Different?

Draw a picture of yourself below.

Think about

What colour are your eyes?

What colour is your hair?

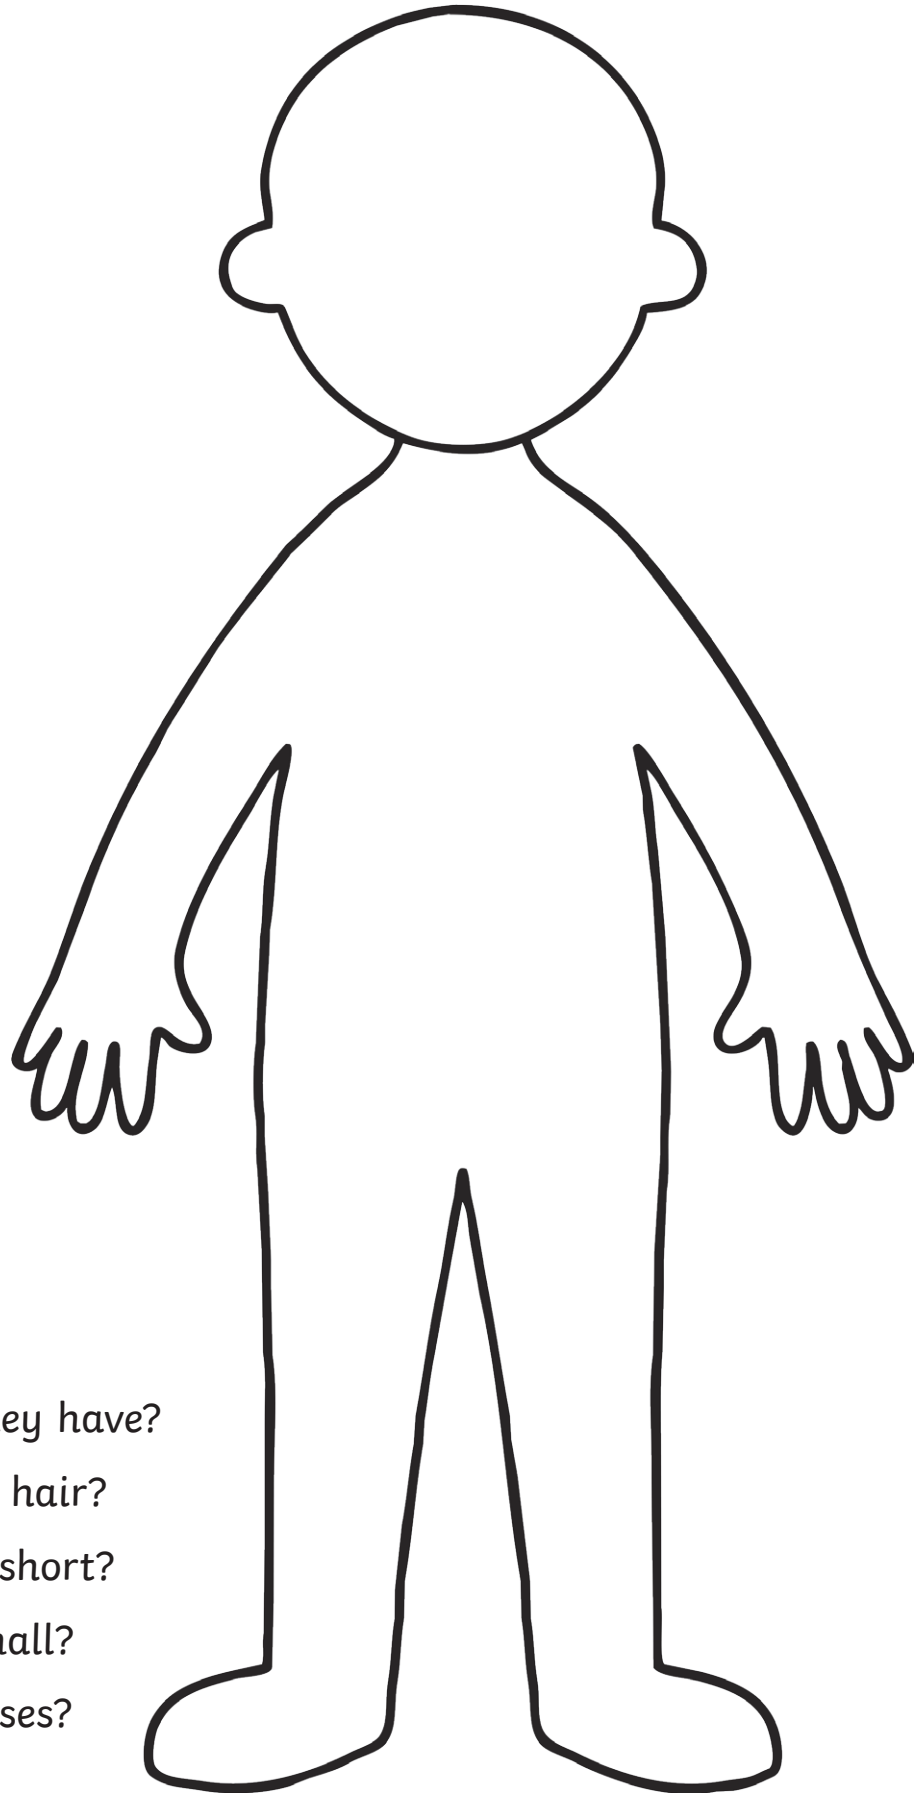

Are you tall or small?

Is your hair long, short,
curly or straight?

Do you wear glasses?

My Best Friend

Draw a picture of your best friend below.

Think about

What colour eyes do they have?

What colour is their hair?

Is their hair long or short?

Are they tall or small?

Do they wear glasses?

Are You the Same or Different?

Now you have drawn both pictures, put them next to each other.
Now, answer these questions:

Which of your features are the same as your best friend?

Which of your features are different from your best friend?

You will have some things that are the same
and some things that are different.

Does it matter?

No!

Everyone is different and we can all still be friends!
